PRAYERS FOR LIFE ON CAMPUS

[P] God of all knowledge and wisdom, we pray: For higher education, that it might serve the common good, and it might grow leaders for the church and the world that will shine brightly with the light of Christ. God of all knowledge and wisdom:

[C] Hear our prayer.

[P] For students, that they might find both knowledge and wisdom in their education and that the world might change through them to better envision your purposes. God of all knowledge and wisdom:

[C] Hear our prayer.

[P] For parents, that they might embrace this time of growth and separation from their children with the hope and promise of the God who is with us in all things. God of all knowledge and wisdom:

[C] Hear our prayer.

[P] For faculty and staff, that they might see in their callings more than a role to teach and evaluate, but also to develop students in their vocations as they serve God and others. God of all knowledge and wisdom:

[C] Hear our prayer.

[P] For our institutions of higher learning, especially the ten state institutions of partnership ministry through Lutheran Campus Ministry of Minnesota, that they may serve to educate and develop the next generation of your people in the world. God of all knowledge and wisdom:

[C] Hear our prayer.

[P] For Lutheran Campus Ministry of Minnesota, our campus ministry pastors and staff in this year of celebrating the 100th anniversary of campus ministry's service on behalf of the church, that the work of campus ministry might serve the church in the world, that students would encounter God in the midst of university life, and that they would grow in faith as they grow in knowledge. God of all knowledge and wisdom:

[C] Hear our prayer.

Amen
